“Multi-Media Lecterns”

Product Description

The BEI line of Multimedia Lecterns is designed for the integration of audio-visual equipment. These products are semi-custom and our standard styles can be factory modified to accommodate a wide range of electronic equipment.

Features & Benefits

- 1 year warranty.
- Three standard widths of 25", 35" & 45".
- Can be factory equipped with 19" rack rails, keyboard drawer, document camera drawer and recessed LCD monitor mounts.
- The front is removable for easy equipment wiring access.
- Heavy duty casters are standard.
- Hand finished hardwood veneer plywood - no particle board is used in our products.
- Constructed using screws - not nails.
- Choice of wood species and stain color.
- Many more options allow you to build a lectern to fit your needs.
